- Co-facilitated over 30 data collections sessions with 10 Photovoice research groups.
- Analyzed qualitative data related to implementation of overdose education and naloxone distribution within criminal legal system agencies.

GATE Study, Lexington, KY

2020 – 2024

(GATE, R01DA048876, PI: Oser)

Graduate Research Assistant under Carrie Oser, PhD

- Participated in qualitative coding and analysis of social service clinician interviews.
- Conducted qualitative interviews related to medication use among participants recently released from incarceration.

- Developed and collaborated on manuscripts for peer-reviewed publications.
- Assisted with quantitative data cleaning and management.
- Analyzed survey and social network data.

UK Department of Behavioral Science, Lexington, KY

Jan – May 2024

Graduate Research Assistant under Delvon Mattingly, PhD

- Completed statistical analyses using nationally representative datasets.
- Developed and collaborated on manuscripts for peer-reviewed publications.

Windham School District Evaluation, Lexington, KY

2022 – 2023

Graduate Research Assistant under Tony Love, PhD

- Evaluated educational program outcomes for individuals incarcerated in the Texas Department of Criminal Justice system.
- Cleaned data for statistical analysis related to recidivism outcomes of program participants.
- Collaborated on a report that detailed the results of the statistical analyses.

Clark County Health Department Photovoice, Lexington, KY

Oct – Nov 2022

Research Assistant under Margaret McGladrey, PhD

- Drafted notes of Photovoice discussion sessions for rapid analysis.
- Cleaned transcriptions of Photovoice sessions for use during group analysis.
- Analyzed photo and quote selections for dissemination to the planned community forum.
- Presented results at the Kentucky Public Health Association 2023 meeting.

ALACRITY Center for Health and Longevity, Baltimore, MD

2019 – 2020

- Synthesized a memo regarding ways Medicare could be used to cover cost of treatment for smoking cessation for people with serious mental illness.

Center for Gun Policy and Research, Baltimore, MD

2017 – 2020

Sr. Research Data Analyst under Cassandra Crifasi, PhD, MPH
